

ND AST

Aeger Primo

Dr. D'arcy Honeycutt

Presented on various concerns when keeping the surgical patient safe.

Dr. Brandon Helbling

Presented on Bariatric Surgical Procedures.

Dr. Matthew Carpenter

Presented on Total Knee Arthroplasty. We were also able to perform our own Total Knee Replacements on rigs made by Ryan Quick, NDSA Board Member.

Fall Workshop

We had a great time in September! We had incredible taco-in-a-bag for lunch. We picked 5 delegates for the San Diego AST conference in May, 2016; Amber Ryan, Amanda Putala, Audrey Nelson, Selena Van Hout, and Trudy Riehl.

**So, we're basically
orthopedic surgeons,
by now, right? :)**

We all had a blast, wielding
power tools.

Next workshop is on April 16th, 2016 scheduled at Essentia Hospital Fargo, ND. We intend to offer 7 credits and lunch. Roy Zacharias, National AST President will be there!
